Here at The Peacock we're committed to making every guest's dining experience an exceptional one, including our guests with food allergies. Dining out can be a challenge for those with allergies or specific dietary requirements, so please let our server know if you have any specific allergy to help you make the best choice.

Since all of our dishes are prepared-to-order at The Peacock, our normal kitchen operations may involve shared cooking and preparation areas. Therefore, we cannot guarantee that any menu item can be completely free of allergens.

Smaller dishes are available upon request
